Golf Scramble

The scramble is on! We are very excited to announce our 6th year hosting the 49'ers golf tournament at New Mexico Tech. This year, we have decided to add some fun by making it a four-person scramble.

Proceeds from the New Mexico Tech's SPE 49'ers Gold Rush Golf Scramble goes to the student chapter to help fund activities, travel to seminars and conferences, and arrange field trips throughout the year.

Thirty-three of our students are traveling to Denver, CO, for the ATCE, September 21-24. We also have a field trip scheduled in Farmington this fall semester.

**Our Sponsorship deadline is Friday,
